Authorization to Transfer and/or Assign Section 214 Authorizations, Section 310  
Licenses, and Submarine Cable Landing Licenses, WC No. Docket 02-215

Dear Mr. Whitt and Mr. Schneider:

This is a request for additional information pursuant to 47 U.S.C. §§ 214, 308(b) and 310(b)(4) of the Communications Act of 1934, as amended, and Section 2 of the Cable Landing License Act with respect to certain ownership interests in the reorganized MCI Corporation (the "Transferee"). In particular, the Commission seeks information with regard to the ownership interests held by Mr. Carlos Slim and any other person or entity holding a greater than 5 percent direct or indirect beneficial ownership interest in the Transferee or any of its subsidiaries.

Please provide for the record in WC Docket No. 02-215 by no later than March 23, 2004:

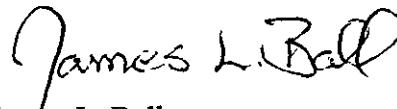

1. A chart with the organizational structure for the Transferee, its subsidiary license and authorization holders and any intermediate subsidiaries (collectively, the "Subsidiaries").
2. A list of the individuals or entities ("Direct Investors") having direct beneficial ownership interests of greater than five (5) percent in (a) the Transferee; and (b) each of the Subsidiaries. Include all applicable persons or entities, whether or not named in the applications for license transfers and assignments listed in the caption of this letter.

3. A list of the individuals or entities ("Indirect Investors") having direct beneficial ownership interests of greater than five (5) percent in each entity identified in response to Question 2 above. Include all applicable persons or entities, whether or not named in the applications for license transfers and assignments listed in the caption of this letter.
4. The following information for each individual or entity listed in response to Questions 2 and 3: name; address; citizenship; equity and voting interests held in the entity in the next lower tier of any ownership chain; and identify which, if any, of these interests constitute a controlling interest in the company in the next lower tier. If this information was provided as a part of the application process, identify with particularity where it can be found for each individual or entity listed above.

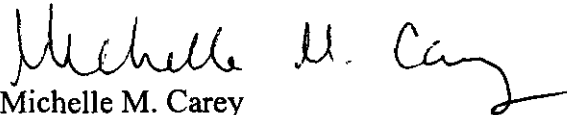

Based on your responses to the questions posed above, we may request additional information with respect to the beneficial direct and indirect ownership of the Transferee and the Subsidiaries.
